

Name: Cristiano Maia

Country: United Kingdom

Institution: Middlesex University London

Role: Associate Lecture

E-mail: C.Maia@mdx.ac.uk

Cristiano Maia is an Associate Lecturer experienced in education technologies. He has been involved with several Erasmus+ projects and has participated in the design and development of technical aspects for several capacity building projects. His expertise ranges from the deployment of learning and teaching practices to the management of assessment activities with use of augmented reality and smart learning spaces.
